

To some, IT consultancy is a busy, ever-evolving jungle.

To us, it is also a place of exciting opportunities, innovation and unlimited career possibilities.

IT consultancy has been our business for 20 years. Today, we help 150 consultants find the right road to success, and we are looking for more of them to join the expedition.

YOUNG IT CONSULTANTS

READY FOR ADVENTURE?

Leave the beaten tracks...

- Projects in key, competitive sectors (Bank, Pharma, Industry, Telecom).
- Focus on recent and upcoming technologies (Business Intelligence tools, .NET, Java).
- Various roles, positions, environments.
- A fast evolution possible, according to your own rhythm.

... with the right guide.

- Renowned experience in our domain.
- Partner with the best providers of business-oriented software (Microsoft, Oracle, SAS, Cognos, Business Objects).
- Focus on the career development of our consultants. Human, tailor-made HR approach.
- Continuous skills improvement policy, based on a long-term perspective.

Are you the explorer we are looking for?

- You have a university diploma, preferably IT related or with a major in IT
- You have a strong interest in IT consultancy, technical or functional roles within business-oriented projects
- You are a flexible team player, have strong social and analytical skills, and are at ease in French, Dutch and English.
- You are ready to invest your talent in a long term job with exciting evolution perspective

IT consultancy is yours to discover.
